

# LOOKING FOR SOMETHING FUN & ENRICHING TO DO OVER THE SUMMER?

## Want to volunteer your time but aren't sure where to look?

Created for you by the TCHS Guidance Office:

Below is a list of some programs and some helpful community resources that can connect you and your student to local summer opportunities and classes:

### **Boston University PROMYS** (*Program in Mathematics for Young Scientists*)

PROMYS is a six-week summer program designed to encourage motivated high school students to explore the creative world of mathematics in a supportive community of peers, counselors, research mathematicians, and visiting scientists.

Website: [www.promys.org](http://www.promys.org)

### **Boston University High School Honors Program**

For students who seek the intellectual challenge of a true undergraduate experience, the high School Honors program provides an opportunity to undertake coursework for credit alongside the BU student population.

Website: [www.bu.edu/summer/highschool](http://www.bu.edu/summer/highschool)

### **Boston University Study Smarter, Not Harder**

***For those entering grades 9-11:*** Helps students become more active and efficient readers. Learn effective ways to read, take notes, and prepare for tests.

***For those entering grade 12:*** Program designed to assist with your reading speed, comprehension, concentration and retention. Learn best strategies for reading, taking notes and studying a variety of materials.

**\*\* Programs available in Brookline, Needham, Waltham and on the B.U. campus**

Contact Information: 800-310-0143 to register & learn more

### **Worcester Polytechnic Institute** *Launch Program*

A five-day program for soon-to-be freshmen and sophomores interested in biology, chemistry, interactive media and game development or robotics.

Website: <http://admissions.wpi.edu/Frontiers/launch.html>

### **Suffolk University** – *High School Scholars Program*

Provides exceptional high school seniors with the opportunity to explore an academic major. Students may take a variety of courses at our Boston campus, earning non-degree college credits. Second session begins on July 6.

Website: <http://www.suffolk.edu/academics/33712.html>

**Tufts University - Summer Study**

A pre-college program for rising high school juniors (class of 2012) and seniors (class of 2011). Programs in writing, health science honors, ethics and global citizenship.

Website: <http://ase.tufts.edu/tuftsSummerStudy/>

**Tufts University - College for Juniors**

Offered exclusively to rising high school seniors (students graduating in 2011). Six week program where students take one or two Tufts University courses for academic credit. You can choose to explore a new subject -- philosophy, economics, or engineering, or you can choose a favorite subject you want to delve into more deeply, such as math, a foreign language, science, or drama.
