

OLHS CLASS OF 1960

50TH REUNION

Dear Classmates,

As we finalize plans for our 50th reunion weekend we wanted to give you an update and get some feedback on your plans for the weekend.

Classmates are already looking forward to the reunion and will be coming from as far as California, Florida, New Mexico and Montserrat. We've been fortunate that through Gina's efforts we've contacted all our classmates except for Ann Bradley, William Flanigan, Stephen Gillis, Janina Horan Manning, Joan Jasset Thayer, Ann Marie Malloy and Ampara Rueda Torres.

Given the response to the survey Bob and Martha circulated we've planned a weekend of activities so there'll be lots of opportunities to mingle, share some life experiences and have a laugh or two. Here's hoping you will be able to attend some or all of the planned activities. Also the survey responses indicated that some classmates were interested in golf, spa or Boston sightseeing activities during the day on Friday or Saturday. These activities would be on your own but we will provide details of any plans we become aware of as well as some useful internet links.

On Friday night, October 8th a casual pizza party is planned and will be held at Trinity Catholic with lots of memories to share and memorabilia to remind of us of our time at OLHS. Approximate cost \$10pp.

On Saturday October 9th classmates will have the opportunity to attend the 4PM Mass at Our Lady's Church after which a class picture will be taken on the school steps.

Following the Mass and picture taking there will be a gala dinner at Woodland Country Club with dinner music and dancing and plenty of time to catch up with classmates. Approximate cost \$100pp, jacket recommended for men.

On Sunday morning, October 10th those who wish will meet at the Marriott in Newton for an informal brunch. Cost, on your own

Now we need your help. In order to go forward with our plans we need to have some idea of the number of people planning to attend the pizza party and the

dinner. Please contact any of the reunion committee members by e-mail or phone as soon as possible.

On another related topic, you may have already received information directly from Trinity regarding a class gift. We want to encourage you to contribute to the Trinity Catholic gift request. Trinity is a flourishing parochial school on the former OLHS campus. The staff there has been very helpful as the reunion plans have come together. Please be generous in contributing to the Class of 1960 gift.

may be sent to:
